Institute of
Internal Auditors
Philippines

A large, stylized illustration of a hand in a reddish-brown hue, cupping a city skyline. The skyline includes several skyscrapers in shades of blue and purple. Small green trees are scattered throughout the scene, including on the fingers of the hand. The background is a soft-focus bokeh of yellow and orange light circles.

#OnellA

Sustaining Relevance and Elevating Impact

ACIIA REGIONAL CONFERENCE

Dusit Thani Mactan, Cebu, Philippines
October 11 – 13, 2023

Overview

#OnellA

Sustaining Relevance and Elevating Impact

An article published by World Economic Forum intimated that "given the past 3 years of continuous economic and social disruption, we may have entered a new business era dictated by radical changes and systemic challenges and that in this new environment, efficiency measures won't help the business survive or grow". Therefore, organizations must look (purposively) for and optimize opportunities to grow and create new businesses to sustain relevance and achieve long-term success.

In the same breath and reflectively, Internal Auditors must adapt and evolve to meet the organization and profession's changing needs and challenges. Internal Audit is also called upon to enhance effectiveness and relevant outcomes to create more value for its stakeholders.

This regional conference of the Asian Confederation of Institutes of Internal Auditors (ACIIA) is an excellent and fitting opportunity for internal auditors to discuss prevalent and emerging risks and challenges, get updated on new technologies and leading practices, engage with IIA global and regional leaders, and learn from subject matter experts and peers in the Asia Pacific region.

Sustaining relevance and elevating impact form a powerful exhortation to stay ahead of the curve and create value for the organization and the profession. Collectively and together makes an even stronger voice and unified message - #OnellA.

The Host

IIA Philippines celebrates this year 2023 the 75th founding anniversary as a crucial milestone in our continuing journey towards further advancing the purpose and goals of the Institute and the Internal Audit profession.

IIA-P, the Institute

Since its establishment, the Institute has made remarkable achievements in promoting, supporting, and strengthening the professional practice of internal auditing in the Philippines. The Institute leaders endeavored audaciously in advocacy initiatives to lay the groundwork for elevating the stature and relevance of the profession. Since then, the Institute has unceasingly promoted the IIA's professional guidance and the IIA certifications and provided developmental training, learning and benchmarking opportunities. Over the years, the Institute has attained solid progress with strength and stability, which, maintained through time, honed the rarity and value it has earned as of today. The clarity in its direction, as indicated in the mission, vision, and strategic goals, enabled the Institute to keep its focus, commitment, purposiveness, and constancy.

Driven by its mission, pushed forward intending to benefit the members, the internal audit profession, and the Institute's stakeholders, and anchored on diligence, resiliency, and agility, the Institute is poised to stay ahead of the challenges now and in the coming years.

Location

Dusit Thani Mactan Cebu, Philippines

A vibrant and inviting retreat blends Filipino warmth and Thai hospitality for a heavenly haven by the ocean.

On the northern tip of the Punta Engaño Peninsula, Dusit Thani Mactan Cebu is easily accessible from the Mactan-Cebu International Airport by land and sea transport. Surrounded by tropical islands, natural, cultural and historic treasures are all within reach.

Guests relax in stylish rooms and suites, with gracious service, innovative cuisine, luxurious amenities and stunning views all on hand.
